- Kansas VINE is in an implementation phase. Select county jails will be added monthly, starting in March 2016.
- VINELink in your area may be briefly unavailable while it is being set up. Please check back each month for to see if it's up in your area. For help now, call 1-866-Appriss (866-277-7477).

What is it?

- VINELink is an online portal to VINE, America's number one victim warning network.

- VINE has been providing victims and concerned citizens with the power of data for decades, allowing them to have the sense of safety that they deserve.
- VINELink can be accessed 24 hours a day, seven days a week, to give the most reliable info for custody status changes and criminal case information.
- The VINE service provides info by phone, email, TTY, and text message where offered. You may also sign up through your participating state, or county's toll-

How to Register?

- If the offender is in custody, you can register to receive VINE notices.
- If you register a phone number, you must create a four-digit personal identification number (PIN) that you will need when you receive updates. Make sure your PIN is easy to remember. Write it down and keep it in a safe place.
- Email registrations do not need a PIN.

How do updates work?

- Once registered, you will be notified about offender custody status in county jail changes such as release, transfer, or escape.
- When VINE calls, listen to the message, then enter your PIN followed by the pound (#) key when asked. Entering the PIN lets VINE know that you received the call and will stop the service from calling you again.
- No PIN is needed to register for email notices. You will receive one email when there is a change in custody status.
- If you do not answer a notice call, VINE will leave a message and will continue calling back until you enter your PIN for 24 hours. You may get a call from VINE in the middle of the night.

Important info and reminders:

- Do not register a phone number that rings to a switchboard.
- VINE is confidential.
- You can register several phone numbers and email addresses for alerts.
- If you forget your PIN, call the toll-free number (1-866-574-8463) and press zero for a VINE service agent.
- VINE service agents are there 24 hours a day, seven days a week to help you.
- Do not rely solely on VINE for your safety. If you feel you are in danger, call 911.
