How to report a fraudulent 1099-G form claimed in your name in Kansas

How do I report fraud if I received a 1099-G form for a fraudulent claim in my name?

If you received a 1099-G form for a claim that you did not receive payment for due to identity theft, you can fill out a request on the [KDOL Self-Service Portal](#) under "1099 Protest/Dispute," making sure to check the box for "I want to dispute my 1099" and declare you did not receive the benefits that were stated on your 1099-G form issued from the **Kansas Department of Labor**.

You can also send a written dispute with your full name and last **4 digits of your social security number** to the Kansas Department of Labor at the following

address:

Fraudulent 1099 Inquiry
Kansas Department of Labor
401 SW Topeka Blvd.
Topeka, KS 66603-3182

Make sure to include the reason of "identity theft" in your written dispute.
