First Suspended to Reinstated Clinic - January 24, 2024

**Here are photos from our first clinic of the year on January 24,
at Community Resources Council - Stout Community Center**

We helped about 60 people at this first clinic, and had 8 volunteer attorneys and other staffers to help.

Many people made appointments ahead of time but many also just showed up as walk-ins. We now require people to register ahead of clinics.

Thanks to our host, Community Resources Council, and all the volunteers and staff who made this clinic possible! And thanks to the clients who came and made a positive step by getting their license reinstatement process going!

The clinics are made possible by a Pro Bono Innovation Fund Grant from the Legal Services Corporation.
