

Kansas Legal Services needs your views

Every four or five years, Kansas Legal Services asks Kansans to fill out a questionnaire telling us what they need -- legal needs and other needs. This is the year!

We published the results of our [needs survey from 2020](#) and now we are going to find out how things have, or have not changed.

Please take a few minutes to complete this survey so we can improve our services and help with more legal issues.
