## Getting Legal Assistance

**Individuals seeking legal assistance must first apply.** Our field offices can't answer any questions or give legal advice until they have an application on file.

Kansas Legal Services gives free or low cost civil legal advice and representation for persons whose incomes make them eligible. You will find out if you are eligible for legal assistance by talking with an Intake Specialist, whether you apply online or call our intake line.

**You can apply for legal assistance by filling out our [Online Application](#) or by phone 316-267-3975**

- You may fill out [our Online Application](#) **between 8 a.m. on Monday through 4:30 p.m. Thursday**, any time you have access to the internet. We will try to call you within a week, longer if we are having a heavy volume of applications.

***The online application is NOT available from 4:30 p.m. on Thursday through 8 a.m. Monday.***

We will email or call you at the contact information you gave in the application. Look for the caller ID - 316-267-3975. The Intake Specialist will talk with you to figure out if you are eligible for services.

- OR call **316-267-3975 (Monday through Friday from 8:00 a.m. to 4:30 p.m.)** and talk with an Intake Specialist.

KLS handles cases in these areas of law: consumer, employment, family, juvenile, health, housing, income maintenance and individual rights law. Please see our [complete listing](#) of cases we may be able to take.
