Debt Collection Information

This brochure talks about your options as a consumer when debt or debt collection becomes too much to handle.

Nearly all of the 2 to 3% of the households who are behind on their bills were current until they faced a sudden blow to their wallets. Such blows include job loss, illness or other setbacks. Sometimes it is tempting to give in to the daily appeals in their mailbox to *borrow, borrow, borrow*.

To help consumers, the feds and states have laws to stop abuse, deceit and unfair practices by debt collectors.

Find out more in the brochure below.
