## **Earned Income Tax Credit -- Are you eligible?**

### **You may be eligible for a larger tax refund!**

The Earned Income Tax Credit (EITC) is a benefit for working people with low to moderate income.

To qualify, you must meet certain requirements and file a tax return, even if you do not owe any tax or are not required to file. EITC reduces the amount of tax you owe and may give you a refund.

A third of Americans qualifying for EITC are newly eligible.

### **When Can I Expect My Refund?**

If you claim the earned income tax credit (EITC) or the additional child tax credit (ACTC) on your tax return, the IRS must hold your refund until mid-February — even the portion not associated with EITC or ACTC. Find out more on [when to expect your refund](#).

After you file your return, the best way to track your refund is [Where's My Refund?](#) or the [IRS2Go](#) mobile app.

### **Who Qualifies**

#### **Do I Qualify for EITC?**

To [qualify for EITC](#) you must have earned income from working for someone or from running or owning a business or farm and meet basic rules. And, you must either meet additional rules for workers without a qualifying child or have a child that meets all the qualifying child rules for you.

#### **EITC Assistant**

Use the [EITC Assistant](#) to see if you qualify for tax years: 2016, 2015, and 2014. The EITC Assistant helps you find out your filing status, if your child is a qualifying child, if you are eligible

and estimate the amount of the EITC you may get.
