Get Screened for Expungement in Wichita Sept. 27

Project: Screen Wichita

Can my criminal record be erased?
COME FIND OUT!

What do I need to do?

Get case information:

- Personal information (name arrested under, social security number, address, employment information, etc.)
- Criminal Case Information (as much as you can find, ideally: case number, city or county court, crime convicted/diverted for, date released from supervision/paper, arrest date). This information can be obtained from the courthouse where you were convicted.

SHOW UP!:

- September 27, 2019, 10:30 a.m. to 5:00 p.m. at the Advanced Learning Library, First Floor (711 W. Second Street, Wichita, Kansas)

What will I get out of this?

- **This is a screening event only—You will find out if you qualify for an expungement**
- We will have limited case access, so the more information you bring about your case, the more our attorneys will be able to tell you about your eligibility
- Forms will be available to assist you in filing your own expungement afterwards—**no filing will take place on this date**
- Kansas Legal Services will have information available about our programs and will screen for program eligibility to assist with your expungement

This project is a partnership between Kansas Legal Services (funded through the Kansas Bar Foundation Grant Program), Koch Industries, and the Wichita Public Library
