Do It Yourself Videos from Kansas Legal Services

KLS has brief videos (five minutes or less) to help you understand the court process if you are representing yourself in court.

One video tells you **how to get ready for court**, and one video takes you through the experience of **going to court**.

KLS also has two brief videos to help you with **understanding your rights in debt collection** and **how to deal with debt collectors**.

Finally, KLS has a video to help you understand what you need to do to get a divorce (without children) when using the online free legal forms from KLS -- all about divorce, or **Divorce 101**.
