## Kansas Crime Victims Survey - Encuesta de víctimas de delitos

The State of Kansas receives several Federal grants administered by the Kansas Governor's Grants Program to support services for crime victims. We are in the process of identifying needs in order to enhance services for victims and survivors when distributing these grant funds to local programs across the state.

Please complete this **anonymous** victims' survey so that your experiences as a crime victim are considered when developing this state plan. **Your responses are kept confidential and anonymous.**
