## Veterans Administration extends foreclosure & eviction moratorium to February 28, 2021

The VA has extended their foreclosure and eviction moratorium, for VA-guaranteed loans, through February 28, 2021

Due to the ongoing COVID-19 national emergency and its impact on Veteran borrowers, all properties secured by VA-guaranteed loans are covered by this moratorium.

The loans include those previously secured by VA-guaranteed loans but currently in the VA's Real Estate Owned (REO) portfolio -- all are subject to a moratorium on foreclosure and eviction through February 28, 2021.

**Except with respect to a vacant or abandoned property, the moratorium applies to the initiation of foreclosures, the completion of foreclosures in process, and evictions.**

The announcement about the extension was made on Monday, December 28, 2020. The announcement is attached.
