Summer Internship Opportunity

Want to make a difference in the lives of your fellow Kansans?

Want the opportunity to work with dedicated individuals who make a positive impact each day?

If so, Kansas Legal Services is for you.

We are currently accepting applications for our unpaid internship program. We are looking for students with a strong commitment to public service who can commit 20-40 hours per week to get real life experience.

Interns may be able to work remotely, but are encouraged to work in one of our statewide offices to learn about rural legal practice.

Work will vary from project to project, so hours are flexible.

This internship is an opportunity for a law student to develop their research and writing skills and learn about the legal issues affecting low-income Kansans.

You will work under the supervision of KLS staff attorneys while having the opportunity to participate in case work in multiple areas of civil practice. You will get to interview clients, do initial case assessments, write briefs and attend community outreach events. This is your chance to jump right in and learn what our organization does while helping to make a huge difference in the lives of others.

You may choose from offices in: Manhattan, Emporia, Wichita, Hutchinson, Salina, Seneca, Pittsburg and Dodge City.
