

Specialty Courts

Specialty court programs are an alternative form of justice for specific crimes and specific circumstances.

These programs help participants by providing services like mental health and substance abuse treatment, with the goal of helping the participant learn how to work through their problems.

Kansas has three main types of specialty courts:

- Drug Courts
- Behavioral Health Courts
- Veterans' Treatment Court

Specialty Courts & Expungements

With the recent change in Kansas law, most specialty court graduates are eligible to have the crime that got them into the specialty court program expunged the moment they graduate.
