Notes on Use

This affidavit may be used to obtain the transfer, to a decedent's successor in interest, of certain personal property that would be transferrable to the decedent, without obtaining letters of administration or letters testamentary, where the total value of the estate subject to probate does not exceed \$40,000. The transfer is treated as one to the personal representative of the decedent, and the receipt of the transfer operates as a full discharge and release of the transferor.
