What is the **Medicare Savings Program (MSP)**

This program is for people who have Medicare and helps with some of the out-of-pocket expenses. This program may pay for or lower Medicare Part A, Part B and/or Part D premiums, deductibles, and copayments (based on income). To qualify for any level of MSP, individuals must have or be eligible for Medicare Part A and have income and resources below a certain threshold. The income and resource requirements are different for each of the three Medicare Savings Programs/Levels and may change from year to year.

**Program Eligibility:**

Eligibility for certain Medicare Savings Programs automatically qualifies you for the Extra Help program as well.

- **Qualified Medicare Beneficiary (QMB)** - individuals found eligible for QMB are automatically qualified for the Extra Help (Medicare Part D prescription drug program) as well.
  - QMB pays for or lowers Medicare Part A, B, and D as well as premiums and Cost sharing expenses
- **Low Income Medicare Beneficiary (LMB)** - like QMB, LMB qualifies a Medicare beneficiary for automatic eligibility
for Extra Help.
  o LMB pays for or lowers Medicare Part B and D as well as Premiums.

- Expanded Low Income Medicare Beneficiary (ELMB)-Like QMB and LMB, ELMB also qualifies a Medicare beneficiary for automatic eligibility for Extra Help.
  o ELMB pays for or lowers Medicare Part B and D as well as Premiums.

What is Extra Help?

The Medicare “Extra Help” program is a Low-Income subsidy that is *not* a KanCare program, it is a Social Security program. The amount of subsidy depends on the individual’s income and resource limitations, and is set by the Social Security Administration. Extra Help pays for Medicare Part D prescription drug costs for those whose income and assets are below the eligibility threshold. Specifically, it pays for Part D monthly premium, annual deductible, coinsurance, and copayments.
